personal favorite. We shall return to the more pessimistic implications of Svevo's "coscienza" that shape the ending of the novel, for the moment we would like to identify this paradoxical approach with the ironic conscience of the novel which subverts in its wake man's mystified relation to the world. The fact that Vico at the same time praised English culture is not at odds with his idea that creativity is the main connotation of primitive civilizations. Four Past Midnight : "The Langoliers".
