Because we never know when we are going to need the extra cushion. Although usually consumed in tablet form, barbiturates may be injected intravenously or intramuscularly. Anne, Numero deux, in a very good Apartement, though rather small compared with the Chateau de Pompignan; this you will

believe when I tell you that my bedroom is about two thirds of the size of the dressing room at Queen Square 1 and the bed occupies about half of this roomy apartment, so that with my enormous trunk and a set of portable shelves which Madame de Chesnel has lent me, I have not, you may suppose, much space for myself and my poor chair, though I cannot say there is not room for me to turn round. We gain no precise sense of its place in a larger narrative structure.
