It could be tight and clinging or long and flowing, extremely revealing or covering everything but wrists, nape, and ankles these three areas of the female body became highly eroticized during the era when women wore long dresses with high collars.

## **Standards-Based Leadership: A Case Study Book for the Superintendency: Volume 2**

Now, as in the whole course of my investigation I found nothing taught expressly by Scripture, which does not agree with our understanding, or which is repugnant thereto, and as I saw that the prophets taught nothing, which is not very

simple and easily to be grasped by all, and further, that they clothed their teaching in the style, and confirmed it with the reasons, which would most deeply move the mind of the masses to devotion towards God, I became thoroughly convinced, that the Bible leaves reason absolutely free, that it has nothing in common with philosophy, in fact, that Revelation and Philosophy stand on totally different footings.
