Tricot, creez vos bas

What is most remarkable about the year in the life of the children, however, is that nothing at all remarkable happens, The point, of course, is not that the materiality of life itself has changed in dramatic fashion, but that in the normal scheme of growing older, perceptions about what life means are compellingly tenuous. Given that he has just an hour or so to create the intimacy levels that typically take weeks, months, or years to form, he accelerated the getting-to-know-you process through a set of thirty-six questions crafted to take the participants rapidly from level one in McAdams's system to level two.
