This guideline should not be interpreted as excluding from use other materials, designs, installation procedures and test methods not specifically referred to in these standards and codes of practice. He tries to set her straight and back out of it, but she insists that he is the only one who can help .

## **Why Do the Animals Sleep in the Barn?**

Seeing as my copy is an ARC, I don't know what the publisher has in store for final publication, but I'd guess, or at least I'm hoping, they'll place some photo inserts of some of the places mentioned in the book, as well as perhaps a facsimile of some of the artwork the author describes. Bradley, M.
