A handsome unworn copy, with a few tiny ink stains on the front cover, and a large and ungainly bookplate, the offence of which is doubled by matching glue residue on the lower paste-down suggesting that it had originally been placed. What's new in the second edition: Coverage of HPM systems with a detailed example called SuperSystem A survey of a class of high power radiators, with very different technologies and applications, that has fully emerged since the first edition. New HPM formulary contains a handy compilation of frequently used rules of thumb and formulas. The book outlines historical trends that have led to the development of HPM and compares the capabilities of HPM to those of conventional microwaves.

How came the Lord to pass by all the great and good men with their wisdom-how was it, I say, that He passed by the learning of this generation to reveal the doctrines and principles of our holy religion. If this is a harbinger of things to come, it will be a long and arduous road to give us back an America we can be proud of .
